

Says Drink Water If You Wish to Grow Fat and Plump

THIN MEN AND WOMEN

Do You Want to Get Fat and Be Strong?

The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomach, or stuffing it with greasy foods: rubbing on useless "flesh creams," or following some foolish physical culture stunt, while the real cause of thinness goes untouched. You cannot get fat until your digestive tract properly assimilates the food you eat. Drink a glass of cold water four or five times a day and take the following preparation known to reliable druggists almost everywhere, which seemingly embodies the missing elements needed by the digestive organs to help them convert food into rich, fat-laden blood. This preparation is called TONOLINE, and much remarkable testimony is given as to its successful use in flesh building. Tonoline which comes in the form of a small non-injurious tablet, taken at meals and mixed with the digesting food, tends to prepare fat, flesh and muscle building elements so that the blood can readily accept and carry them to the starved portion of the body. You can readily picture the transformation that additional and previously lacking flesh making material should bring to your cheeks, filling out hollows about your neck, shoulders and bust disappearing, and your taking on from 15 to 30 pounds of solid healthy flesh. Tonoline is harmless, inexpensive, efficient. All druggists have it and are authorized to refund your money if weight increase is not obtained as per the guarantee found in each large package.

Caution:—tonoline is recommended only as a flesh builder and while excellent results in cases of nervous indigestion, etc., have been reported, care should be taken about using it unless a gain of weight is desired.

The State Grand Council Meeting, Instead of the 36th Grand Lodge Session,

of the United Brothers of Friendship, and the Sisters of the
Mysterious Ten at Dickson, Tennessee.

Dickson, Tenn., Aug 2nd 1917.
Special to the Nashville Globe.
Hon. P. F. Hill, Grand Master of the United Brothers of Friendship, and the Sisters of the Mysterious Ten of Tennessee, according to his previous call issued, opened the State Grand Council of said order, for the purpose of trans-

Grand Master.

sacting the business of the 36th session of the State Grand Lodge, and Grand Temple of Tennessee, which had been postponed by a petition from the majority of the subordinate Lodges, and Temples, demanding the postponement on account of the war crisis.

Grand Master Hill, on assuming the chair, stated the object of the meeting of the State Grand Council, and the Endowment Board in connection of its meeting. He said that under the existing crisis of the war excitement, and the present exodus of the race from the South, to the North and East, in search of better wages in order that they might secure better financial re-

turns from their labor performed thereby enabling them to discharge the duties in supporting their families, in meeting their various obligations. In view of these facts, the various Lodges, and Temples had petitioned him to postpone the 36th session of the most worthy Grand Lodge of the U. B. F. and S. M. T., of Tennessee, and call in its stead, the State Grand Council to transact all legitimate business that was necessary to be transacted, thereby diminishing the expenses that would be incurred, by having the grand lodge to convene in its regular session, sending delegates over the railroads from various parts of Tennessee, and paying enormous board bills, that could otherwise be avoided by means of economy in dispensing with the regular meeting, and utilizing the grand council in its stead that could exercise the legislative functions as same as the grand lodge.

After the foregoing remarks by the Grand Master, he declared the State Grand Council opened, by having the dedicating prayer offered by Bro. J. A. Winbush, of Ripley, Tenn. After which, Dr. J. A. Napier, Grand Secretary, read the call issued by the Grand Master for the meeting of the Grand Council. He also read the proceedings of the 35th grand lodge meeting held in Lexington, Tenn., all of which was approved by the Grand Council, and the Grand Master proceeded to appoint the following committees:

Committee on Endowment Report.
W. L. Miller, Chairman, Prof. T. E. Miller, and Dr. J. A. Napier.

Committee on Resolutions.

Dr. J. A. Lester, Editor W. L. Miller, Prof. T. E. Miller.

Committee on Revision of Grand Lodge Constitution and Endowment Laws.

Dr. J. A. Lester, Chairman, Rev. C. C. Townsend, J. M. Delk, Prof. T. E. Miller, Prof. J. A. Winbush, Editor W. L. Miller, Dr. J. A. Napier, Mrs. Sarah E. Sneed, Grand Princess, Mrs. L. K. Myers, Past Grand Princess.

Committee on Grand Lodge Officers Report.

Prof. J. A. Winbush, Chairman, Wm. Lane, Editor W. L. Miller.

At this juncture, the Grand Master called the Grand Council from labor

to rest, and instructed the various committees to take charge of the subject matter to come before them, and be ready to report at the afternoon session, Aug 2nd 1917.

AFTERNOON SESSION.

The Grand Master, promptly called the council to order at 2 p. m. The Grand Secretary was ordered to call the roll of the grand councilmen, the following answered: P. F. Hill, Grand Master, Dr. J. A. Napier, Grand Secretary, J. M. Delk, Grand Treasurer, Prof. T. E. Miller, Editor W. L. Miller, Rev. C. C. Townsend, Deputy Grand Master.

The members of the Endowment Board: P. F. Hill, President, Mrs. Sarah E. Sneed, Vice President, Miss Hattie Bramlette, Endowment Secretary, Wm. Lane, End Treasurer, Prof. J. A. Winbush, director, and Mrs. L. K. Myers director.

Dr. J. A. Lester, National Knight Recorder, representing the Knights of Friendship, for the National Grand Camp.

At this juncture, the grand secretary and grand treasurer of the grand lodge, made their report, reporting the financial condition of the grand lodge, the collection of annual tax, and the disbursements. The reports after being read, were referred to the committee on grand lodge officers report.

The Endowment secretary next, made her report for the fiscal year ending July 31st, 1917. It was gleaned from her report, that more than thirty seven hundred dollars of death claims had been paid to beneficiaries of de-

ceased members, since the meeting of the 35th session of the Grand Lodge at Lexington, in 1916. The collections amounting to a few hundred dollars more than the disbursements. The report, showed a remarkable increase of financial collections, considering the loss of membership during the exodus

of the race, but this was accounted for on account of the economy that had been practiced in every department of the grand lodge office, and Endowment department by the officers in charge of the affairs of the order.

The committees appointed on the various reports, submitted their reports. (See the reports as follows:

Grand Council, now assembled instead of the State Grand Lodge in the 36th Annual Grand Session, we your committee who have been appointed on the supervision of laws for the subordinate Lodge, and State Constitution of the Grand Lodge, and Endowment laws of said order, beg leave to report as follows:

1. We recommend, that the Endowment law of the U. B. F. and S. M. T., of the Grand Lodge of the State, be so amended as to read that no policy be issued to applicants for membership in said order, for more than the maximum amount of \$100.00, on the rating bases of the present new policy as revised at this session, so as to not conflict with the insurance laws of Tennessee, that allows fraternal orders to issue Endowment policies to not exceed that amount without making reports or being licensed by the insurance commissioner.

2. We recommend, that the law be amended to supplement the \$50.00 to be paid the beneficiaries of deceased members, by issuing to the beneficiary a burial certificate for \$50.00 in lieu of the amount, deducted from the \$150.00 policy that is in existence.
